Dear

STAT

Of course I remember you and the good work you did for the Naval War College. I'll bet those students at are getting into better shape because of you!

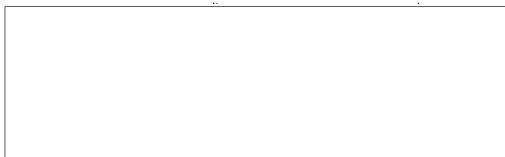

I had a good laugh at your report of locker-room griping after I came to the College. I've never looked upon any challenging job as a popularity contest, but have been pleased with the letters from students saying how much their college experience during my term meant to them.

Thanks so much for your kind words, prayers, and best wishes. I'm happy to send along an autographed photo as you requested.

Yours,

STANSFIELD TURNER
Admiral, U.S. Navy
